

ACR Accreditation Technologist Personnel Form

Name of Technologist:	
Accredited Modalities Performed:	
CEU courses	

All technologists should be in compliance with their registry requirements for continuing education. List the course name and give a brief description of the course. Include date, number of hours, and what modalities are covered by the course. If you keep track of your CEU hours through your registry, you may print a list from the registry to use in lieu of this form. Please be sure to write your name on the print out if it is not included.

Make additional copies of this form as needed.
